WHY UMBRELLAS FOR PROMOTION?

Umbrellas are an advanced way to advertise your brand, and yet very cost-effective. With printed logos on umbrellas, corporates can utilise the weather phenomenon to their advantage and leverage visibility in a competitive marketplace.

It takes five to seven brand impressions for someone to remember a brand. So the more you put your logo in front of them, the more likely they are to have a lasting impression. At Tank Umbrella, we strive to offer you best in class customised umbrellas at affordable prices.

One size fits all

Long lasting, affordable and value for money

Helps Leverage Mass Visibility in a competitive market

Daily use item that helps increase Brand Recall Value

Large and Diverse Printing Area

BEST USE OF PROMOTIONAL UMBRELLAS

ABOUT THE COMPANY

Established in the year 1947, 'Tank Umbrella', is counted among the reputed Manufacturers and Suppliers of quality range Umbrella. Tank is a leading umbrella manufacturer and seller based in Indore, India. Under the leadership of a vibrant and strong headed management, the firm has been able to attain a distinguished position in the market. Since their inception, they have continued to dream big and innovate and have evolved to being one of nation's reputed business firms.

Our Manufacturing facility

We have set up a well-facilitated manufacturing unit, which allows us to meet the urgent orders of clients within specified time limit. Furthermore, maintained by a team of experienced professionals, our unit is equipped with latest and sophisticated machines & tools.

Our units of Padding and Screen Printing enable us to print the name or logo of your company on handles and panels. Our state-of-the-art manufacturing facility allows us to design innovative handles which will blend with your chosen umbrellas seamlessly
